

## What We Offer

Arts instruction offered by Dauphin Art Group is structured for those who want to learn about painting, drawing, and other visual arts media. Our instructors meet you wherever you are in your artistic journey. Their teaching encompasses a variety of media including oils, acrylics, watercolour, pen and ink, charcoal, graphite, how to use/mix colours and set up your palette. We welcome beginners as well as those of you who are well advanced in your chosen media and interested in developing your own paintings and drawings while in a group setting.

To practice any art,  
no matter how well  
or badly,  
is a way to make  
your soul grow.

So do it.

—Kurt Vonnegut

The Dauphin Art Group is one of the oldest ongoing groups at the Watson Art Centre, where we are a partner member with an art studio in the basement. Dr. Vernon Watson, whom the art centre is named after, was the first to offer painting and drawing instruction to people from this area in the 1960's.

**Join us on Facebook**, or email us to have your name added to our e-newsletter so you can stay informed on upcoming workshops and events.

"The artist is a receptacle for emotions that come from all over the place: from the sky, from the earth, from a scrap of paper, from a passing shape, from a spider's web." ~ Picasso
